ABOUT

Personable, outgoing, creative, and enthusiastic. I am determined to figure out an outcome to any problem. Love to learn and enjoy working with others. I have a Bachelors in Fine Arts and practice art in my spare time.

SKILLS

JavaScript, jQuery, React, JSON, Parse, Backbone.JS, CSS, HTML, Sass, Bourbon/Neat, AJAX, RESTful APIs.

EXPERIENCE

Teacher Assistant - The Iron Yard

I assisted a 12 week immersive program for Front End Development. Helped students locate and fix bugs. Gave guidance to students who might be struggling to keep up with the pace of the class. Communicated with co-workers to help develop strategies to ensure student success.

The Gold Rush

Worked as a bartender and server in a high volume restaurant. Great with customer interaction and high stress situations. Delivered exceptional, friendly, and fast service. Excellent communication skills.

EDUCATION

The Iron Yard (2015)
Front End Engineering
Spent 60+ a week learning the fundamentals of web design, JavaScript, and MVC frameworks. Collaborated alongside Ruby on Rails and other Front End developers to produce efficient products.

School of the Art Institute of Chicago (2009-2012)
Bachelor of Fine Arts
Skills: Printmaking, Photography, Fibers, Sculpture

Savannah College of Art and Design (2007-2008)
Skills: Photography

COMMUNITY INVOLVEMENT

Design Teacher: Overton High Coding Club
